CERTIFICATES OF STOCK, VOTING TRUST CERTIFICATES, AND REGISTERED AND BEARER BONDS.

Foreword.—The following list of certificate numbers has been compiled with care, and, while not guaranteed, is believed to be correct as of June 1, 1920. It is suggested that those desiring confirmation communicate with the transfer agents of the companies, as the demand of the Alien Property Custodian for right, title, and interest in securities required the transfer agent to make notation of that fact upon its record.
